C. Action Items

D. Presentations

1. COMMUNITY JUSTICE CENTER DISCUSSION ON TARGET POPULATION.

Presentation regarding the intended target population for the community justice initiative. Staff provided a review of existing findings on target population from reports produced by the Center for Court Innovation needs assessment (2021) and the January Advisors report of diversion opportunities for low-level misdemeanants (2020) prepared for the Criminal Justice Council in Dane County. Discussion of most frequent charges in Dane County, which include disorderly conduct, larceny, and others. Determining associated offenses by same person requires additional research. Also need to consider the high utilizers of multiple systems when developing services. Racial disparities across charges; need to be responsive to these inequities.

Discussion of additional data needs. Discussion regarding retail justice, or a private diversion program provider for retail theft; unclear if implemented in Dane County. Discussion of national norms compared to the local and state level.

Importance of distinguishing standalone charges versus charges that occur alongside others. Low-level offenses, such as disorderly conduct or bail jumping, are often charged alongside other more serious charges. Discussion of referrals to Community Restorative Court and capacity.

2. DEBRIEF ON CITIES & COUNTIES FOR FINE AND FEE JUSTICE (CLARK-BERNHARDT)

Dane County team attended the Cities & Counties for Fine and Fee Justice boot camp on how to reduce or eliminate burdensome fines and fees that impact vulnerable populations. Dane County highlighted as a model for its juvenile detention fee eliminations. Discussion of other jurisdictions that act as national models on reducing or eliminating fees imposed on incarcerated populations for phone and video calls.

Discussion of next steps and new opportunities through this grant. Emphasis on opportunities to keep families connected through affordable communication during a parent's incarceration, which maintains ties to the community and is beneficial for all.

GTL is the third-party telecommunications vendor for the jail. Other jurisdictions with similar contracts with GTL have renegotiated contracts during renewal to support communication for families impacted by incarceration.

E. Reports to Committee

1. Community Restorative Court Update (CRC STAFF).

The CRC just hired a senior social worker and is in the process of hiring a bilingual clerk. The CRC has also implemented a new database to track cases. Working with the University of Wisconsin Law School Restorative Justice Project on how to make the program more victim-centered, and they are currently reviewing the report on how to do so. The CRC has higher numbers of cases than last year, and is on target for 400 cases this year. There will be two new trainings in the fall. Some fluidity in remote vs. in-person.

2. UPDATE ON SOCIAL WORKERS IN PUBLIC DEFENDER OFFICE (DORL).

DORL is excused, and therefore the presentation will be moved to the following meeting (in May).
